

Dreams

by The Cranberries

Adults *Oh, my life is changing everyday*

Children *In every possible way*

Adults *And oh, my dreams*

Adults *It's never quite as it seems*

Children *Never quite as it seems*

I know I felt like this before

But now I'm feeling it even more

Because it came from you (adult harmony)

Then I open up and see

The person falling here is me

A different way to be (adult harmony)

Adults I want more, impossible to ignore

Children Impossible to ignore

Adults And they'll come true

Adults Impossible not to do

Children impossible not to do

And now I tell you openly

You have my heart so don't hurt me

You're what I couldn't find (adult harmony)

A totally amazing mind

So understanding and so kind

You're everything to me (adult harmony)

Adults *Oh, my life is changing everyday*

Children *In every possible way*

Adults *And oh, my dreams*

Adults *It's never quite as it seems*

Children *'Cause you're a dream to me, Dream to me*

Oh, my life is changing everyday

In every possible way

And oh, my dreams

It's never quite as it seems

'Cause you're a dream to me

Dream to me

Dream to me
